

Autumn 1 – Magnificent Me

Nursery

Silver Class: Mrs White & Mrs McBrearty

Platinum Jubilee Class: Mrs Gammon & Mrs Hill & Ms Cobden

Early Years Leader: Mrs Baldwin

Things you could do at home:

- Practise dressing yourself
- Look out for door numbers
- Look out for shops and buildings on the way to school
- Discuss people who are special to you – this might be family members or friends

Personal, Social & Emotional Development– We will talk about our feelings and starting school. We will explore our new environment and play alongside our new friends.

Communication & Language – We will practise saying our teachers' and friends' names and sing well-known nursery rhymes.

Physical Development – We will be learning to dress ourselves and practise jumping, hopping and moving around the room.

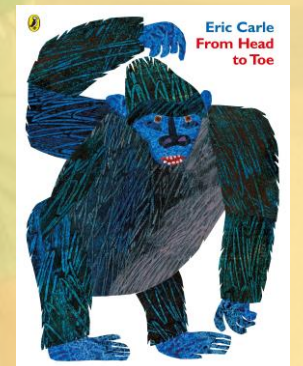

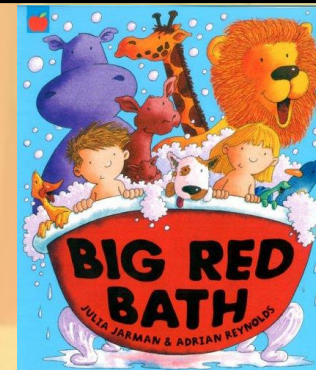

Literacy - We will be reading a range of stories and talking about the characters. We will make connections between the characters from the stories and ourselves.

Maths – During our maths lessons we will use words such as 'lots' and 'more' and practise filling and emptying containers. We will also explore colours and patterns in our environment.

Understanding the World – We will enjoy stories about people, nature, and animals. We will discuss our immediate family, our pets and friendships.

Expressive Arts & Design – We will move like the animals in the stories we read. We will use musical instruments and our bodies to represent animal noises. We will create self-portraits to display proudly in our classroom.

We will be reading...
