

Summer 2 – Splish, Splash, Splosh

7 Areas of Learning:

Personal, Social & Emotional Development (PSED) – We follow the Jigsaw Scheme of Work and our topic this half term is 'Changing Me'. We will talk about growing up and how we have changed since birth. We will discuss skills that we have now and compare them to when we were younger.

Communication & Language – We will engage in imaginative play based on the stories we are reading. We will listen carefully to others when taking part in 'circle time' and ask questions to gain further understanding.

Physical Development – We will start to prepare for our Sports Day by mastering basic movements including running, throwing and balancing. For some of us, this will be our first Sports Day!

Literacy - We will recall events from the stories we read and discuss the key elements e.g. the beginning, middle and end of the story.

Maths – During our maths lessons we will focus on measurement by exploring weight and capacity. We will use balance scales to show the difference between heavier and lighter objects. We will also use positional language in our everyday vocabulary.

Understanding the World – We will explore floating and sinking and use comparative language such as 'heavier' and 'lighter'. We will carry out our own science experiments.

Expressive Arts & Design – We will continue to improve our creative skills by using a range of tools to mark make including paint brushes and marbles. We will learn water, weather and seaside related songs and rhymes.

Nursery

Silver Class: Mrs White & Mrs McBrearty

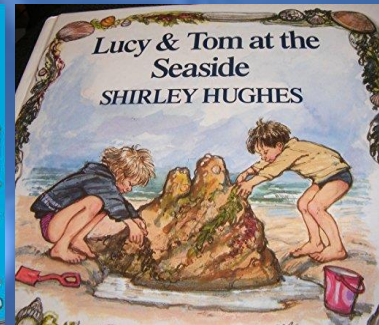

Platinum Jubilee Class: Mrs Gammon & Mr O'Grady

Charles Class: Mrs Camfield

Early Years Leaders: Miss Yates and Mrs White

Things you can do at home:

- Discuss your library book with your adult
- Investigate floating and sinking – can you find objects around your home that may float or sink?
- Talk about how to stay safe in the warmer months including the importance of wearing a sun hat, sun cream and staying in the shade
