

# Summer 2 – Explore & Discover

## 7 Areas of Learning:

**Personal, Social & Emotional Development (PSED)** – We follow the Jigsaw Scheme of work and our topic this half term is 'Changing Me'. We will start by naming body parts, discussing how we grow from babies to adults and begin to express how we feel about moving to Year 1.

**Communication & Language** – We will be focusing on expressing our ideas and feeling about our experiences using full sentences and using past, present and future tenses. We will try to include the conjunction 'and' in our sentences. We will also continue to use Makaton singing when communicating with adults and peers.

**Physical Development** – Our topics this half term will be 'Ball Skills Through Tennis' and 'Athletics'.

**Literacy** – We will be exploring a range of fiction and non-fiction books throughout the half term. Within this theme of Explore and Discover, we will look at lots of mini topics including sun and beach safety, transport and minibeasts. We will continue to write sentences based on our learning through these themes.

**Maths** – We will be investigating shape, measure and time. We will also be reviewing our learning on number and numerical patterns.

**Understanding the World** – We will explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories. We will explore concepts such as floating and sinking when designing and creating boats.

**Expressive Arts & Design** – We will create under the sea inspired artwork using a range of materials and tools. We will also continue to be terrific tool users!

## Reception

**Platinum Class:** Ms Green and Mrs Hill

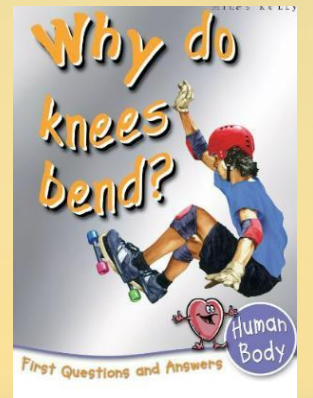

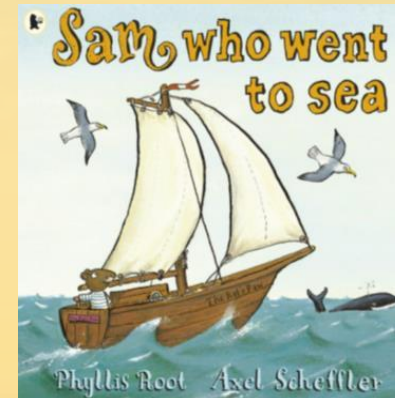

**Gold Class:** Miss Yates and Mrs Camfield and Mrs Martin.

**Early Years Leaders:** Miss Yates and Mrs White

### Things you can do at home:

- Identify shapes within the environment.
- Practising forming letters.
- Talk to your child about moving to Year 1 – how do they feel about this?

### We will be reading...
